1. ¿Qué es el Hosting web?

- Servicio de almacenamiento de información como: imágenes , video...
- Albergar nuestros propios sitios webs
- El estado es siempre Online

2. Tipos de Hosting Web

2.1 Compartido

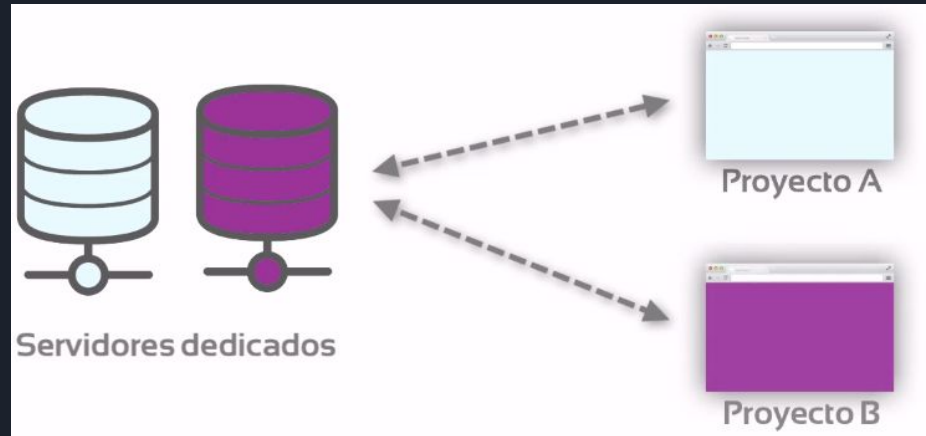

- Perfecto para pequeñas y grandes empresas
- Es la más económica de todas las opciones
- Comparten los servicios del servidor

2. Tipos de Hosting Web

2.2 Dedicado

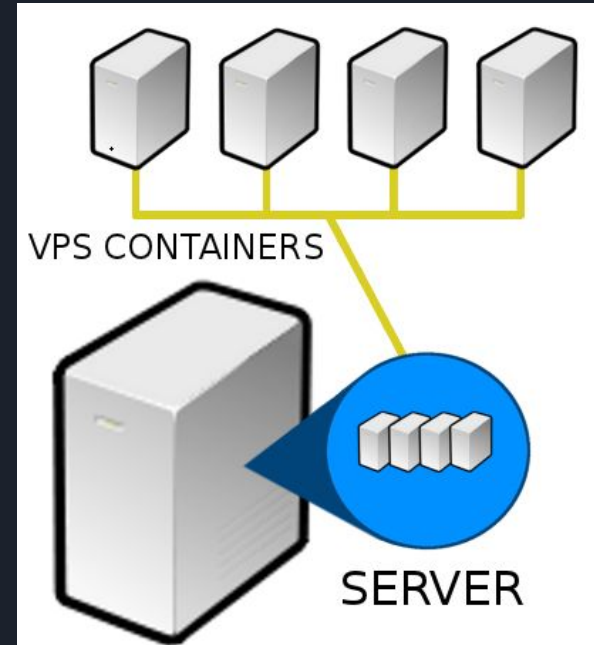

- Uso exclusivo para un cliente
- Control absoluto a diferencia del compartido
- Costo alto

2- Tipos de Hosting Web

2.3 VPS (Virtual Private Server)

- Se trata de un método de dividir un único servidor físico en varios servidores
- Comparte la característica de compartir recursos.
- Frente a la compartida está tiene una partición garantizada

3. Tipos de Paneles controladores

cPanel[®]
2017

The logo for cPanel is displayed on an orange rectangular background. It features the word "cPanel" in a white, italicized, sans-serif font, with a registered trademark symbol (®) to the upper right. Below the main text, the year "2017" is written in a smaller, lighter orange font.

VESTA

The logo for Vesta is shown on a white rectangular background. It consists of an icon on the left, which is a circle formed by small orange dots, and the word "VESTA" in a bold, dark grey, sans-serif font to its right.

Parallels[®]

The logo for Parallels is presented on a white rectangular background. It features two vertical red bars of varying heights to the left of the word "Parallels" in a bold, black, sans-serif font, followed by a registered trademark symbol (®).

DirectAdmin
web control panel

The logo for DirectAdmin is set against a blue rectangular background with a geometric pattern. It includes a stylized icon of three overlapping blue chevrons pointing right, followed by the text "DirectAdmin" in a bold, dark grey font, and "web control panel" in a smaller, lighter grey font below it.
